Institute of Justice**

About the Jerusalem Institute of Justice

The Jerusalem Institute of Justice (JIJ) is an Israeli legal and research Institute, dedicated to cultivating and defending human rights, the rule of law, and democracy.

JIJ's International Law and Public Diplomacy Department stands at the forefront of Israel's struggle to maintain its standing among the international community.

We use the legal and advocacy tools at our disposal in order to confront the most complex issues.

**Jerusalem
Institute of Justice**

What do we offer?

The JIJ offers an interdisciplinary program with both educational and practical experience.

IL4C IL 4C (Israel 4 Christians) provides a holistic approach for Christian millennials interested in strengthening their connection to Israel, deepening their faith, and developing their professional and personal skills.

Participants acquire the necessary knowledge and tools to achieve a meaningful career while being immersed in the complexities of daily life in Israel
